The Year of Spiritual Transformation

# Spiritual focus

*Unity of Salem's Mission Statement: Unity of Salem is an inclusive, joyful and fun-loving spiritual community, empowering people, nurturing oneness with the Divine Source, and inspiring conscious transformation.*

## NOW IS THE TIME, WE ARE THE ONES

In my Minister's Message in the last Newsletter (December/January), I wrote about the Ringing Cedars Series, book one *Anastasia*. I have continued reading the series since then, and have just completed book 5. Briefly the series is about a Russian trader, Vladimir Megre', who, in 1995, met a woman who lived in Siberia, Anastasia. For many generations her people had lived there in very pristine conditions having all of their needs met through the abundance that God provides. The series is filled with the wisdom and the teachings of Anastasia. Her teachings align with Unity's.

These books have been read by millions of people around the world, and have had a powerful effect on many people,

awakening them to the greater awareness of who they are in *Truth* – Spiritual beings having a human experience.

The book talks about a visit to Nikolai Fiodorovich a Philosophy professor at a prestigious Moscow university. Nikolai was in his 70's and retired. Due to difficulty with his legs he spent most of his time in a wheel chair reading and studying. He lived in a two-storey mansion with a housekeeper, Galina. For four years Nikolai spent all of his time in this manner, slowly but surely deteriorating; and, then one day someone gave him a copy of the Ringing Cedars Series.

Galina asked Vladimir to visit Nikolai. She was very worried about some strange

new behavior that Nikolai was exhibiting. She had found him on the floor doing push-ups, even though he could hardly walk. Nikolai greeted Vladimir with more vigor and enthusiasm than usual, and by-passing all small talk, he began their conversation by asking, "Do you know, Vladimir, what marvelous times are coming upon our Earth? I don't want to die – I want to live on this kind of Earth." He seemed to have caught the idea from the Ringing Cedars books that "Now is the Time; We are the Ones."

As we step into year two of our three year Pilot Program, Transformational Experience – Enlightened Leaders, over 50 people in our congregation have taken *The Art and Practice of Living with No One and Nothing Against You*. They, too, have

# A Message From The Board President

## RETURNING TO THE FLOW

*Rosie Daily:*

What an amazing two months I have had as I was blessed to receive two total knee replacements in November and December. That time has been filled with miracles, support, love, abundant resources, lots of rehabilitation and rest. Divine Order is truly present as I return to the flow of my rich and exciting life!

I received so much support and prayers from all of you. Many of you wrote, called me or came to visit. I received emails, songs, books and flowers. I experienced immense love from my spiritual family and it has contributed greatly to my success. That generosity of spirit is so evident in who we are and how we support our mission and purpose.

Our beloved Chaplains sent their love in many ways. There were several times when I was feeling very low and a Chaplain would call me offering a prayer right when it was most needed. My energy would rise and I would move forward with my healing work. Some blessed me with hands-on healing that is such a powerful and loving support

My gratitude for this community and how we support one another is immense. Not only do we support our Unity of Salem family; we also give from our hearts of our time, talent, and treasures to the bigger community in a way that is rippling outward each moment. I am so

proud and excited to be present as we energize and build our future. Each Sunday I see beautiful new beings sharing in our joy and experiencing what Unity of Salem has to offer. It is very exciting and I know that we have called this forward through our actions, intentions, and thoughts. I feel our energy expand as we welcome new ideas, perspectives, and gifts.

“The Art and Practice of Living with Nothing and No One Against Us” has enriched us as a community in a deep and meaningful way. As more of us have had the opportunity to participate, I sense a fresh and lighthearted approach that supports and invites the best we have come here to be. I hear us embracing our “Shadow” and receiving the amazing gifts because we choose to love all that we are. I encourage everyone who has not already done so to consider participating in this powerful and transformational experience.

2011 promises to be filled with opportunities, challenges, growth and great joy. I look forward to sharing it with all of you as my angel of Delight guides me.

## COMMUNITY BUILDING

**Saturday, February 26<sup>th</sup>  
9:00 a.m. – 5:00 p.m.**

Many years ago we used to “practice” Community Building. There was no issue that brought us together, we simply came together to experience the process. On February 26, 2011 we will once again gather to practice Community Building. If you feel you would like to join us on this strange and wonderful journey, you are welcome. Please bring your lunch as we will plan to be together for the whole day or until COMMUNITY is apparent.

We base our Community Building experience on Dr. Scott Peck’s book *A Different Drum*. He defines the four stages of Community: Pseudo-community, Chaos, Emptiness, and Community. The experience is enriching and fulfilling.

## ENLIGHTENED LEADERS WEBINAR

**The Call to Leadership  
And Stewardship  
Presenter: Gregg Levoy**

**Friday, February 25<sup>th</sup>  
7:00 p.m. – 8:30 p.m.**

Among the challenges of leadership is understanding and activating the deep motivations in other people--their callings, their sense of passion and mission, what they most want to achieve and contribute. People who operate from these deep motivations work with great enthusiasm and dedication and don't need a lot of managing.

But to get at these deep drives and unleash their power requires courageous self-reflection, which is ideally modeled by leaders – by knowing your own deepest passions and purposes, knowing who you are and what you're here to do. To the degree leaders are clear and engaged in their own sense of mission, service and integrity with what they stand for (and thus what they won't stand for), that is the degree to which they can then inspire others to contribute, to be engaged and impassioned.

Knowing oneself is as crucial to good leadership and stewardship as knowing one's congregants and one's craft.

## 5 LOVE LANGUAGES CLASS

**By Barb Vandepas**

**Thursdays, February 17<sup>th</sup>  
Thru March 17<sup>th</sup>  
7:00 p.m. – 9:00 p.m.**

We are created to give and receive love. Everyone has a way of expressing love. In his book [The 5 Love Languages](#), Gary Chapman defines 5 preferences in how we communicate our love. To deepen relationships with those you love, come and learn 5 love languages. You will understand why you feel loved by those who speak your language and how to speak another's language. Once you have identified the love languages you can give your partner, children, parents, and friends what feeds them at their heart level.

Suggested love offering each class:  
\$10; Book: \$7

## ENLIGHTENED LEADERS POST- WEBINAR GATHERING

**Friday, March 4<sup>th</sup>  
7:00 p.m. – 8:30 p.m.**

The post-webinar gathering on *The Call to Leadership and Stewardship* webinar by Gregg Levoy is scheduled for one week after the webinar presentation. The decision to hold the meeting within a week was so that the presentation would still be fresh in your minds and it still would provide you enough time to complete the post-webinar study material. Please come with any questions you may have about the material and enjoy the presentation from your Enlightened Leader Team.

# MINISTER'S MESSAGE AND OTHER NEWS

(Continued)

## Now Is The Time, We Are The Ones (Minister's Message Continued)

caught that idea that "Now is the Time, We are the Ones." As part of this transformational journey, we are truly understanding, that "if God be for us, who can be against us?" Many thanks to Diana Moskal, Licensed Unity Teacher for her willingness to continue to present the class as long as there are folks who are excited about living a life knowing that nothing and no one is against them. Truly now is the time; and, we are the ones.

Anastasia spoke about those who would predict fearful cataclysms on the Earth, like Nostradamus. She said, "You created them out of your own thought and persuaded people to accept their implementation. Now these thoughts are still hovering over the Earth, still frightening people with their sense of despair." As Nikolai pointed out, "The more people believe in universal doom, the greater will be the number of thoughts attempting to outline the image, and it will come to pass. It can come to pass simply because human thought is material and creates what is material."

These may be difficult times for our nation and for our world. However, we have the opportunity to put forth an image of an earth where everyone is living with the knowledge that nothing and no one is against them; an earth where there is cooperation rather than

competition, support rather than separation, kindness rather than criticism.

What kind of world do you want to live in? What kind of world do you wish our children to inherit? Begin to imagine, embrace and speak words aloud of the kind of marvelous world you want to live in. Truly, now is the time, and we are the ones!

Blessings,  
Rev. Georgie Richardson

## SACRED SERVICE WORKSHOP

**Sunday, February 27<sup>th</sup>  
12:00 p.m. to 1:30 p.m.**

At least once a year Diana Moskal and Rev. Georgie presents a sacred service workshop for all those in the new membership class and for anyone else who is interested in learning about service at Unity of Salem.

If you feel that you would like to commit some time to Unity of Salem, but are unsure what it is you would like to do, come to this enlightening workshop after the Sunday service.

## CHAPLAIN TEAM

Our Chaplain team is growing not just in numbers, but in prayer consciousness! The Chaplains in training are: John Gordon, Lee Howell, Joanne Icovino, Tammy McCammon, Desiree Rudder and Emily Wiczorek. The exciting piece of this training (for me) is that "seasoned" - (not old!) Chaplains are assisting me with the training! They

add so much wisdom from their years of being a Chaplain. Therefore, in this process for new and seasoned Chaplains, the prayer foundation is becoming deeper for Chaplains individually and then that spills out into our spiritual community. We are so blessed!

Diana Moskal, LUT

## TAIZE HEALING PRAYER SERVICE

**Ash Wednesday,  
March 9<sup>th</sup> at 7:00 p.m.**

Our next Taize service will be Ash Wednesday, the first day of Lent. As we witness God breathing our heart, we recognize Holy Spirit in the depths of our subconscious. Our shadow thoughts are released and bubble up in our Christ self where the blessed wisdom is learned. Lent is a time of cleansing, releasing and blessing. Taize is a meditative, healing prayer service designed to deepen your connection to your Higher Source. Come Ash Wednesday to begin your internal preparation for your rebirth during the Easter season.

## GREG TAMBLYN IN CONCERT

**Saturday, March 12<sup>th</sup>  
at 7:00 p.m.**

**Songwriting Workshop  
at 1:00 p.m.**

Greg Tamblyn will be at Unity of Salem for an afternoon Songwriting workshop, starting at 1:00 p.m. and then in concert that evening at 7:00 p.m. Be prepared to receive a healthy dose of conscious comic relief as you take a musical joyride into the profound and the absurd, the personal and the universal, the psychological and spiritual, the sacred and the silly.

Humorize your life with Greg Tamblyn, and be advised that Greg's songs contain anti-depressive lyrics.

Suggested love offer of \$15 for the concert and \$25 for the afternoon Songwriting workshop. Spend the afternoon with a funny man and learn to write music.

*Exciting Happenings At Unity of Salem*

## UNITY OF SALEM'S POLICIES AND PROCEDURES

I am so pleased to let you know that a committee has been working for the last several months to help develop an Employee and Volunteer Handbook. The committee consists of me, (Berta Aronson), Barb Cannard, and Diana Moskal. (For those of you who don't know us, Barb and I are on the Board of Trustees, and Diana is the Minister's Associate and a Licensed Unity Teacher.) We've met three times so far, and it's been a joy to work together as a spirit-led team.

Our fabulous Consultant/Guide, Cindy Henson, sent us the employee handbook from her church, and we will be able to use a lot of their documents with minimal revision. Diana, Barb and I intend to meet monthly until this project is complete. At the recent meeting of the Board of Trustees on December 26th, we presented an

implementation plan for review and approval. We will update you via the newsletter about progress, and, eventually, all policies, job descriptions, etc., will be posted on the website and available to everyone. Our intention is to be fully transparent about this process.

We will need the help of Staff and Team Leaders to develop job descriptions. After the Evolutionary Council meets with all of the Teams over the next three months to "Map What Is", our committee will sort through the information relevant to creating job descriptions and create rough drafts to review with Team Leaders and the Board of Trustees. (Staff will be contacted individually by Diana to request input; we are still waiting for additional job descriptions from Cindy and other

sources that may make the task easier.) We know that only the people who are doing the jobs know exactly what tasks they perform and what skills are required, so their input is essential!

As we grow into a program church, it is becoming especially important to harmonious functioning to have roles and expectations clarified and in writing, and this is our first step. We thank you in advance for your help and support!

Blessings,  
Berta Aronson, Secretary  
Unity of Salem Board of Trustees

## APPRECIATION AND GRATITUDE CORNER

THANK YOU, THANK YOU,  
THANK YOU:

**Many thanks to these special people who continued to serve our Spiritual Community with commitment and dedication:**

The end of December we discovered that our basement was flooded from the excess rain water that the earth couldn't contain. We offer deep appreciation and gratitude to: **Steve Shepard, Paul Wilson, Ann Armstrong, John Gordon** and a host of others who have stepped in and moved furniture, called in commercial specialists to evaluate the damage, and carefully monitored the restoration process. Although it appears that our church insurance will not cover the damages, together we affirm that **GOD IS OUR SOURCE and ALL IS WELL.**

Many thanks to **Doug Corey** for keeping our fire extinguishers current and

working! You have served in this way for many years at Unity of Salem and we are appreciative of your outstanding service!

Many thanks to **Rebecca Shepard** and all of the wonderful musical talent who entertained a packed house on December 10<sup>th</sup> for our traditional Christmas program. We also thank **Brother Bob** and **CCTV** for videotaping the concert and showing it numerous times on TV.

**"Women Who Weave The World"**

**June 10<sup>th</sup> - 12<sup>th</sup>  
Unity of Salem Campus**

Back by popular demand after a one year break, Unity of Salem's Women's Retreat Team has scheduled an innovative retreat right here at Unity of Salem. Designed to be easily accessible and affordable by all, the retreat will feature the unique bonding of participants, deepening of personal insights and FUN which have been the hallmarks of our past Women's Retreats.

In the year and a half since our last Women's Retreat, the team, consisting of Sharon Viehdorfer, Sally Cummins, Valdez Guerrazzi and Ann Armstrong, has been designing a Retreat Manual to be shared with the entire Northwest Region and beyond. This year's retreat is an opportunity to field test the theme and try out another type of venue which can be an option for other New Thought and Women's Groups.

## YOUTH TEAM CONFERENCE

January 21<sup>st</sup> - 23<sup>rd</sup> three youth sponsors and teachers traveled to the Houston Center in Gold Bar, WA to attend the N.W. Region Youth Team Conference. Our own Sharon Viehdorfer is part of the Youth Services Team that plans this event, with Sharon using her considerable gifts to create the small group sessions. Youth Ed Coordination Ann Armstrong and Teen Sponsor Steve Shepard also attended. Ask these youth leaders about their experience.

## WINTER RAIN PROVIDES OPPORTUNITY FOR BASEMENT RENEWAL

Discovering soggy carpet in the Children's Sanctuary after Christmas necessitated temporarily moving the children's activities to the modular and combining the two teen groups. We are enjoying being "one happy family" and being able, though crowded, to see each other each Sunday.

Tireless dedication by Steve Shepard and Paul Wilson, helped by John Gordon and several others, succeeded in starting to dry out the carpet and removing EVERYTHING from the basement.

Steps that are being taken include: purchasing new padding, completion of drying and cleaning of carpet, installing both, replacing soggy wall surfaces and repainting the entire basement. Result: a clean new area in which to recreate our Children's Program. Thanks to all who have worked tirelessly during this renewal effort.

## ADVENTURES FROM THE GREAT PLAINS

By **Jaine Niktab**

Jaine's "Lessons in Truth" learned along this journey: Divine Self trumps Ego Self once again.

Yes, yes, I have to confess that my "little self" was coveting that you back home were doing "The Art and Practice of Nothing and No One Against You". Along with missing my TE experiences, I longed for this opportunity also. Yes, I know, coveting and being greedy, my-oh-my. To compensate, I went AGAIN to the Unity of Overland Park beseeching them to find me a service position. (Yes, believe it or not, doors were not opening to be of service).

Well, as God would have it, I was there just as Rima Bonario came in to sign a book for someone. Now, some may not know this, but it was my first day at Unity of Salem that Rima did her

presentation of the TE Experience and I had my "vision"; this woman is significant in my story. I thought of her often, but knew I probably wouldn't recognize her if I saw her; I didn't. Luckily, I was introduced. Being me, I immediately gushed, "You're the reason I'm IN Missouri!"

"Do tell," she said, taken by surprise. So, I do. She writes her contact information on a scrap of paper, asks for mine, and says, "I believe we have some work to do together, we need to chat more, please call me."

Last week, my telephone rang. "Jaine, this is Rima Bonario, do you remember me? Do you have time to chat? I woke up from a night long of very vivid creation dreaming and you were the center of these dreams. I would like to learn about you so I can see how we are to work together. Have you heard of 'The Art and Practice of Nothing and No One Against You' or of Gary Simmons?"

Yep! Thank you Divine Self for aligning me with Source! THE source, the creator of that which I lamented, Thank you, God.

So, fast forward; yesterday I went to Rima's home. She is mentoring me in technology, I will participate in their seminar in a few weeks at The Center for Spiritual Living, and her gift to me is training as a "Q coach" (in which the cost for such is \$2500.00). In addition, I am in charge of organizing their big seminar at Unity Village in April for the training of all coaches, and will be learning and helping Gary Simmons with the mailing and distribution of their books, this - "for starters".

So, off I grow! All Divinely in path with what Unity of Salem is doing. You do your version there, and I'm called to the Unity Village Mother Ship of it here; all in Divine alignment. Again, my journey a synthesis of the combined created manifestation of the work at Unity of Salem and my reflection of that work. Thank you all, again, for being the angels beneath my wings! And off we fly in this great and glorious 2011!!!

Love and hugs,  
From the Great Plains, Jaine

## NATURE HABITAT TEAM

Mid November as I drove onto our sacred nine acres, Jeff Icovino and crew were planting Akebono Cherry trees, creating a grove. My heart was so overjoyed I parked and began running up the hill. Jeff dismounted his backhoe and came for a THANK YOU GOD embrace! The trees have been nurtured in our summer nursery by the grounds team. THANK YOU GOD! The nature spirits have been *very* excited! Thank you to all those who have held the trees in your hearts until Divine timing said, "Now!" Most of the trees are in their forever home and can now stretch their roots deep and stand tall. THANK YOU GOD! Once the bioswale and double driveway are completed at the entrance

additional trees will be planted on the west side of the drive. The bioswale has been designed to direct storm water runoff as it flows from the barn down the slope toward Fabry. It will eventually be planted with low maintenance, aesthetically pleasing native grasses and vegetation which clean the water as it flows downstream creating a habitat for indigenous birds and animals.

As part of the landscape plan the Habitat team created for the 81 gift trees from God we have several trails for a nature walk. If you begin at the gazebo you see 3 Eastern Redbuds with their heart shaped leaves. Enter the meditation grove toward Fabry Road. You will be able to peek through the

Douglas Fir seeing Mountain Ash on your right with spring white flowers or summer red berries. As you exit the meditation grove you see a tall Catalpa with fragrant white summer flowers or long pods in the fall framed behind the Unity sign. A Golden Rain's yellow flowers shield the view of Safeway. The path turns left past flowering hibiscus and 2 snake bark maples. Then you have a choice to follow the curved path through the ash grove or head to the labyrinth through Cherry trees with burgundy leaves in the summer.

The Nature Habitat team is always looking for new people to join our adventure, no skills required, just a love of nature and a willingness to listen for God's plans on the sacred 9 acres. Please talk to Barb Vandepas, Peggy Brown, Bonnie Jean Young, or Sharon McClure if interested.

**WHO HAVE YOU COME HERE TO BE** –101 Possibilities for Contemplation by Rima Bonario, Jane Simmons and Kelly Isola "Drenched in gorgeous imagery, each powerful page invites readers to dance, to leap, to sit still, to stand tall as they ponder the question, 'Who have I come here to be?' The 101 possibilities the authors offer for contemplation are grouped into chapters that correspond to the four classic elements of fire, earth, water, and air with a fifth chapter dubbed 'Cosmic Consciousness.' Like an alchemist's effort to find prima materia (the formless base from which all things are formed), this is one journey that will undoubtedly lead to the hidden treasure of your prima materia awaiting discovery within you.
